

Teachers for Better Schools

The members of the Columbus Education Association (CEA) are deeply invested in the success of each of our students. In order to affect positive political change that will improve the future for Columbus students, teachers and our school community, CEA established Teachers for Better Schools (TBS).

TBS is the political action committee of CEA. It raises money for local and state pro-public education candidates who recognize that we are deeply committed to the success of every child. TBS supports elected officials who put our students at the center of education reform. CEA does not use any dues money to promote individual candidates.

Help show our political clout by joining TBS.
